

Service Manager - Drug & Alcohol Treatment

Full-time: 37.5 hours/week

Salary: £34,788 – £40,354 per annum

Are you as passionate about supporting people whose lives are affected by alcohol or other drugs as we are?

Now in our 35th year, BDP is an expert, energetic charity supporting 3,500 adults and young people each year, in a vibrant city with an increasingly diverse population. Our city also has significant challenges, with the seventh highest prevalence of opiate and crack cocaine use in England.

We have a rare opportunity for an exceptional person to join us as a **Service Manager**. With your experience of drug and alcohol treatment you will manage a large staff team based in 46 GP Practices, delivering Opioid Substitution Treatment to 1,800 people. You will also lead our Primary Care-based alcohol detoxes and our detox preparation and aftercare team. As part of our Senior Leadership Team you will play a strategic role in BDP's future plans.

We put service users at the heart of our work and as an experienced manager you will inspire, lead and support your team to achieve the best possible outcomes for the people we support. You will have excellent communication skills, experience of working with people whose alcohol or drug use is problematic and the skills to manage a complex and dynamic treatment system.

Job Reference: SMTT

Closing Date: 4pm Thursday 10th February

Interview Date: Friday 18th February 2022

For an informal discussion contact **Maggie Telfer** on 0117 987 6006.
