

“Are you **passionate** about helping people gain independence from drugs and alcohol? **We are.**”

Drug & Alcohol Shared Care Worker

Full time: 37.5 hours per week

Part time: Minimum of 22.5 hours per week

Salary: £23,941 per annum pro rata

Now in our 36th year, BDP is an expert, energetic organisation supporting 3,500 people a year to make changes to their drug and alcohol use

Do you have experience in health, care or housing roles and are looking to do something different? We can offer you an opportunity to really make a difference to some of our most marginalised citizen's lives.

As a Shared Care Worker the main focus of your role is providing Opioid Substitution Therapy in partnership with GP Practices. You will be joining one of the largest and longest established Primary Care-based treatment services in the UK, supporting more than 1,800 individuals at any time.

Based in GP surgeries in the heart of communities, you will support people to move through treatment, manage prescriptions and provide advice to GPs. You will need to be both assertive and diplomatic, with excellent organisational skills and have the ability to work well within busy GP Practices. Above all, you will have the **passion and skills** to help the people we support to make the changes they seek.

Candidates must have access to their own motorised transport.
